A copy of each horse's 'flu vaccination record including the full description of the horse must be sent with the entry form. Please ensure each record is stapled together to prevent lost or mixed-up pages. Team organisers must initial and date the 'flu vaccination record as verification that they have checked it and it is correct. Where applicable, indicate with highlighter where last sequence starts. Originals must be brought on the day; random checking will be carried out.

Note: Where Passports are used as the 'flu vaccination record, the horse description must be verified by a vet or an authorised member of a breed society.

**Team Declarations must be made at least 30 minutes  
before the start of the Class,  
after which rider numbers will be issued.**

## **Substitutions (Classes 2 & 3 only)**

In the event of withdrawals, substitutions will be allowed. The deadline for complex substitutions will be two days prior to the qualifier (ie by Wednesday evening). Late simple substitutions may be made at the time teams and individuals are declared.

A complex substitution is one where teams are re-arranged or horse and rider combinations are moved from one team to another. Simple substitutions are ones where a horse and/or rider replaces the withdrawn one in the same team and position.
